

Expert™

Small Area Carpet Extractor

Faster, Simpler Small Area Cleaning

Expert's no external hose design speeds filling and emptying. This simple design also reduces training times.

- *Convenient 4-gallon size makes Expert quick to set up and easy to use. Perfect for small area or emergency cleaning.*
- *Expert's quick-connect port allows for accessory tool use in seconds.*
- *The handle is fully adjustable for operator comfort. And it folds over the body for compact storage and easy transportation.*
